Approve Estimate #57 from Norton's HVAC LLC

Hi Jim,

Here is the estimate for your home I got you a sale price but its only good till the end of the month as the units go for a few grand more I had no luck with getting a good price on LG from my distributor and I can have these unit in by the first of the month or sooner Please call if you have any questions I threw in the breakers and running the wire as we are going to be there anyway

Thank you for choosing Norton's HVAC LLC. Please see attached estimate.
